## UNIA award for 'Miss Lou'

THE Hon. Louise Bennet-Coverley will this morning be presented with the "Cultural Award" by the Universal Negro Improvement Association and African Communities League of the World, at a service at the Kingston Monthly Meeting of the Society of Friends, being held at 11 Caledonia Ave., Cross Roads, Kingston.

In a letter to Mrs. Bennett-Coverley, Pastor Frank A. Davis said that from time to time the UNIA and

ACL recognised "persons who have exhibited marked proficiency in, and dedication, to the profession to which they have committed their lives".

"You have by your creative genius, loyalty and dedication to the Arts, particularly as a Folklorist, inspired countless thousands of our young people, and we are particularly pleased to present you with this Cultural Award," the letter said.
