B/N Patterson, P.J. (HON)

PRIME Minister P.J. Patterson received a delegation from the Office of Development & Alumni Relations recently, on which occasion Mrs. Beverly Pereira, Chairman of the Jamaica Branch of the Guild of Graduates, presented him with a package containing information on the GATHERING OF GRADUATES planned for April 14-18. The Prime Minister, who is himself a UWI graduate is giving the event his enthusiastic support, and he will be the main speaker at the Opening Ceremony to be held on the Mona Campus on the first day. The University is hoping for a record turn-out of graduates for the event, which is not confined to those from UWI. All University graduates are encouraged to participate.
