MINISTRY PAPER No 10

Retention of Police Driver
Sir Alexander Bustamante.

The former Prime Minister, The Right Honourable Sir Alexander Bustamante, during his period of service as Prime Minister was provided with a Police Driver. Sir Alexander has expressed the wish that the Government continue to make available to him the services of this Police Driver.

2. As there is no provision in the Prime Minister's Pensions Law or in the Estimates which would enable the Government to do this, the House is requested to agree that the driver from the Police Force now assigned to Sir Alexander continue to perform these services without reimbursement being made by Sir Alexander Bustamante.
